

**From the Girls**

By Dan Melton

**(EDITOR'S NOTE—This is a new column which will be included in every issue. It will deal with news from the Catholic girls' schools in the area. Your comments concerning the column are welcome.)**

**DIVINE SAVIOR will hold another dance on October 23, the weekend before Marquette's Homecoming. Their September 25 dance was one of their biggest ever.**

**A condensed version of "Hello Dolly" will be featured at ST. MARY'S annual carnival, on October 17 and 18. It will be presented four times each day by the Dramatics Club. Games, refreshments, and prizes will be included. You can come any between 2 and 8:59 p.m.**

**Phoebe Van Hecke was elected Senior class President at HOLY ANGELS, and Candy Winkler holds the same position at DIVINE SAVIOR.**

**MERCY is holding a dance this weekend. They will have live music (at the time of publication, they hadn't decided who yet; but you can be sure it will be live), and everyone's invited to come.**

**One annual event about this time is the arrival of the foreign exchange students. DIVINE SAVIOR'S exchanges are Miren Gotzone Rotaache from Venezuela and Edith Renault from France. Another French girl is attending HOLY ANGELS. Her name is Marie Seitz, and she should be easy to spot; she's supposed to have waist-long blond hair.**

**Three schools have new principals this year: DIVINE SAVIOR, ST. MARY'S, and ST. JOAN'S. DIVINE SAVIOR'S new principal, Sister Clarice, might be known by anybody who attended Mother of Good Counsel or St. Pius X Grade Schools; she has been principal of both of them.**

**SPORTS**

Co-captain Tom Healy (second from left) leads the Cross country team in practice followed by Tom Grade, Brian Hanlon, and Pete Steck.

**The Addicts**

Jogging along winding paths two hours a night, five days a week isn't exactly fun. It dessicates throats, jabs ribs, and buckles knees. It is an exhausting kind of recreation whose participants are just plain addicted to running.

This year's cross country team has the same group of addicts with a few new additions. Back again are senior Co-Captains Dave Johnson and Tom Healy, and juniors Jim Donahoo, Paul Mollinger, Jim O'Brien, and Bill Riedle. Johnson and Donahoo earned major letters last fall. They are joined by senior John Garnier, a first year man at the 2.2 mile jaunt who did a lot of running with the track team last spring. Dave Staff, Sam Grade, Bill McKeown, Mike Nowakowski, John Loebel, and Jim Healy also figure to see action.

The "harriers" couldn't wait to start or finish in their initial meet against Francis Jordan. The entire Marquette contingent puffed across the finish line before one Jordan runner could complete the course. Johnson sped home in a time of 11:05.5. O'Brien (11:06.0) and Riedle (11:08.0) followed closely.

**Like Crossing a Desert**

Two yards is not a great distance. But when two brawny lines dig in under the goalposts for the point after touchdown, going two yards is like

crossing a desert. Marquette title hopes have hinged on the extra point try in the first two 7-6 conference struggles.

St. Joseph used Andy Van Sant's fibula-fracturing running and rugged line play in matching the Hilltoppers yard for yard, touchdown for touchdown. But Joe Larkin slammed into the end zone for the Marquette one-pointer; Ed Bohat, the Lancer's usually accurate place kicker (11 of 13 conversions), booted wide. Tom Mulvanny set up the Hilltop score, sprinting a punt return 25 yards to the Marquette 15. Four plays later Al Przybyla scored from three yards out.

Pius was already a two time loser by extra point margins. Marquette acquainted the Popes with the same fate. Early in the second quarter, from 35 yards out, Tom Croasdaile lofted a pass to John Salchert. Salchert slipped past two Pius defenders and slid into the end zone. Al Przybyla drove through two more defenders for the seventh point.

**Pope James Dethroned**

But the dormant Popes promptly awoke. They pushed the Toppers 23 yards on 12 plays. Halfback Ron Jurewicz covered most of the yardage with spirited spurts. His brother Jim rolled around right end for the 12 yard score. When Jurewicz tried the same route for the tying point, three blue jerseys rode him to the ground.
